

GOOD QUESTIONS TO ASK TRANSFER COLLEGES & UNIVERSITIES

Admissions

- What are the admission requirements, deadlines and application process?
 - What is the average GPA of admitted students?
 - What are the demographics of the students, faculty and staff?
 - How do I make an appointment with an admissions counselor?
 - Are there campus visit days or tours I can attend?
-

Academics

- Does this college or university offer the major I am interested in?
 - Are there additional admission requirements for my intended major?
 - Are there language or mathematics requirements?
 - Based on my transfer credits, how long will it take me to graduate?
 - What is the faculty-to-student ratio?
 - How are courses offered (in person, online, day, evening, etc)?
-

Financial Aid and Scholarships

- When is the deadline to apply for financial aid?
 - Am I eligible for any scholarships offered by the college or university?
 - What is the tuition cost per credit, and how much are fees?
 - After financial aid, what is my out-of-pocket cost?
-

Career Services

- What support is offered to students looking for internships in my major?
 - What type of career placement assistance is available?
 - What's a typical salary for students who graduate in my intended program?
-

Student Life

- Is there on-campus housing?
- What student support is available, such as tutoring, academic advising, mental health counseling, multicultural student services, GLBTQ+ student services, or TRIO?
- What student life opportunities are available, such as clubs, sports, activities, and leadership programs?
